Myla,

Any chance we could meet in the afternoon on Thursday? I'm open all afternoon but right now, I have a 11:00 conflict.

Good morning -

I had to re-schedule, the original meeting time wasn't going to work with Jeff's schedule and we really need him there...especially for this meeting!

Hope this works for most - it was impossible to find a time that suited all of us unless we wanted to meet in November!
